We removed the Huggy off the website this morning at 6:40am. I will make sure that we stick to "Celebrity Snitch".kb

Good Afternoon,

Can you please make sure that Tom Joyner refers to Huggy as the "Celebrity Snitch" NOT as HUGGY. We can not air his name in DC.

We will let you know when we receive clearance to return to HUGGY. Thanks .kb

I have placed a reminder in the TJMS studio ... so we should be good.

Enjoy the balance of your day
